

A close-up portrait of a woman with voluminous, dark brown curly hair. She is wearing dark, round-rimmed glasses and a bright yellow, short-sleeved button-down shirt that is unbuttoned at the top. Her right hand is raised to her forehead, with her fingers slightly spread. She has a soft, pleasant expression. The background is bright and out of focus, suggesting an outdoor setting. Overlaid on the image is the text 'SUNDAY SOMEWHERE' in a white, sans-serif font, and below it, 'A state of mind' in a white, cursive script font.

SUNDAY SOMEWHERE

A state of mind

The journey that led us here

Sunday Somewhere wasn't just created, it was discovered. Born from a restless spirit and an insatiable curiosity, we exist for those who see the world not just as it is, but as it could be. For the daydreamers, the wanderers, the ones who chase horizons without looking back.

Our frames aren't just eyewear... they're a passport to possibility, an invitation to explore, and a reminder that time slows down when you live in the moment.

Thoughtful details that stand out

Handcrafted precision | Every frame is meticulously designed and assembled.

Subtle double “S” etching on nose pads | A quiet signature, a mark of distinction.

Durable 5-barrel hinges | Crafted for the long haul, no matter where adventure takes you.

Palm tree logo on temple tips | A playful nod to escapism, freedom, and endless summers.

Let's celebrate individuality and inspire action through freedom of expression. Whether you're socialising with friends, escaping from reality or taking time alone, Sundays are a time to live in the moment. Embrace a state of mind where time slows, and adventure begins.
