WHAT YOU’LL NEED TO GET STARTED

If you are a new user, you will need several pieces of information before getting started.

• CAQH-supplied Provider ID Number
• Previously completed credentialing application, if available (for reference)
• List of all previous and current practice locations
• Identification numbers, such as Social Security Number, National Provider Identifier (NPI), DEA, UPIN, and License Number
• Electronic (scanned) copies of your:
  • Curriculum Vitae
  • Medical or Optometry License (TPA)
  • DEA and/or CDS Certificate, if applicable
  • IRS Form W-9
  • Malpractice Insurance Face Sheet
  • Summary of any pending or settled malpractice cases
  • Any other required supporting documents

Visit CAQH to begin your application.
