

How to Indicate Telemedicine Services on the VSP Find A Doctor Directory

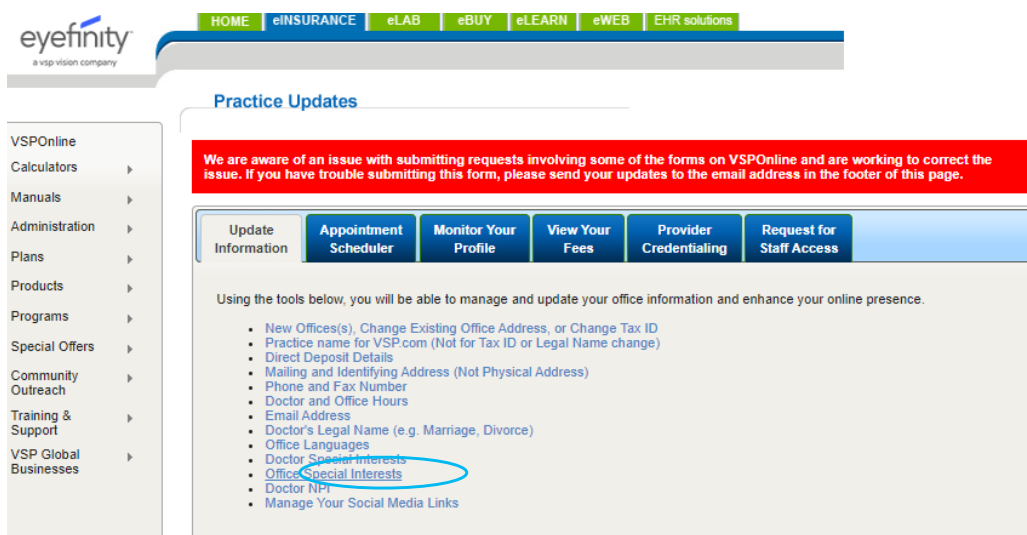

You can now enhance your profile to indicate **“Telemedicine Services Available”** on the *Find a Doctor directory* at **vsp.com**. This feature allows VSP® members to see if your practice offers eye care services through telemedicine.

UPDATE YOUR PROFILE IN THREE EASY STEPS:

1. Log in to **eyefinity.com** to access **VSPOnline**, and click **Administration** to select **Practice/Doctor Updates**.

2. Select **Update Information** and click **Office Special Interests**.

3. Check the **Telemedicine Provider** box and click **Submit**.

Office Special Interest Change: 3333 QUALITY DR

Providing your Office Special Interests gives you more visibility on vsp.com so that VSP members looking for these additional services can easily find your practice.

For definitions of the special interests, please click [here](#).

Dispenses Safety Eyewear

Dispenses Sports Eyewear

Retinal Imaging

Telemedicine Provider

None

That's it! Your patients will now be able to easily identify telemedicine services that are available at your practice. Please allow two to three business days for your profile to be updated.
