

# INFECTION CONTROL PLANNING

**Train/  
update**  
your team  
regularly

**Create a policy/  
protocol document  
for YOUR office and  
update it regularly**

- PPE, supplies
- Staff protocols/workflows
- Patient protocols/workflows
- Equipment/disinfection protocols

Keep **calm**, wear a  
**mask**, and **wash**  
your hands

Create a safe/  
**secure**  
place to store  
**information**

**Read up** on current  
**CDC/state**  
**guidelines** and  
recommendations

Continually  
**acquire**  
**supplies**  
(PPE, disinfectants)
